### Gardesjägarregemente - Guard Jaeger Regiment

### Welcome to conscript service in the Guard Jaeger Regiment

Welcome to the conscription service in the Guard Jaeger Regiment in Santahamina, Helsinki.

If you arrive from outside of Finland (your permanent address is outside of Finland), remember you need to stay two weeks quarantine (14 days), before you are allowed to arrive at the Military Base (due to the COVID 19 virus). **We hope that you arrive Finland early enough, so that the quarantine is done before 6th of July and you are able to start your service normally on time with your service mates.** If you don't have a place to stay during quarantine, Guard Jaeger Regiment can provide you accommodation in a hostel. Guard Jaeger Regiment will cover housing costs of the hostel. If you need hostel-housing, please inform us beforehand by email [kaartinjaakarirykmentti@mil.fi](mailto:kaartinjaakarirykmentti@mil.fi).

If for some reason (you cannot get flight tickets or passport etc.) you are not able to start your military service as scheduled, please contact immediately Uusimaa Regional Office to get the instructions by email [uudenmaanaluetuimisto@mil.fi](mailto:uudenmaanaluetuimisto@mil.fi).

**Familiarize yourself with the guide booklet** that contains useful information for prospective conscripts starting their service in July and their families. Published in Finnish, the guide booklet is accessible online at [maavoimat.fi/kaartin-jaakarirykmentti](https://maavoimat.fi/kaartin-jaakarirykmentti). Please familiarize yourself with its contents before you fill out the pre-service questionnaire and before your service begins. More info in English on our webpage [maavoimat.fi/en/guard-jaeger-regiment/for-conscripts](https://maavoimat.fi/en/guard-jaeger-regiment/for-conscripts).

**Fill out the pre-service questionnaire (deadline 30.6.2020)** that allows you to impact on your future service task. Please note that your replies will not determine the outcome as such, but rather all decisive decisions on service task selection will be made only at the during the branch-training period. Please return the filled-out questionnaire form (picture/scanned) by email [kaartinjaakarirykmentti@mil.fi](mailto:kaartinjaakarirykmentti@mil.fi) or by mail with enclosed return envelope.

Furthermore, it pays off to join the **Facebook group** tailored for information on the upcoming military service and where trained conscript social media agents provide answers to your questions and publish useful information. This group allows you to get to know your service mates before the start of the service. You can find the Facebook group by searching it by the name **KAARTJR 2/20**.
